Everyone deserves a healthy smile!
For 25 years, Dientes Community Dental Care has improved the oral health of underserved children and adults in Santa Cruz County.

Our vision is to make prevention more common than treatment so that kids can focus on school instead of a toothache, adults can get and keep a job because they have a great smile, and seniors can eat healthy foods.

OUR CLINICS

Dientes’ bilingual clinics provide affordable, high-quality dental care in a warm, friendly environment. Our 15-chair Santa Cruz clinic includes a new children’s wing. In addition, we have a new 4-chair clinic located in the Watsonville Health and Dental Center. Both clinics are on the public bus line to provide easy access for all residents.

OUR PROGRAMS

We have several programs to further serve our community:

Our Outreach Program provides services to those who can’t get to the dentist, operating at schools, skilled nursing facilities, Migrant Education, Juvenile Hall and Women, Infants and Children (WIC).

Dientes Cares Program focuses on making oral health care affordable for uninsured patients. It includes sliding scale fees and more.
