RE: In Support of Medicare Dental Benefit Act of 2019, H.R. 2951 & Medicare Dental Benefit Act of 2019, S. 22

The Honorable [Assembly Member/Senator's First & Last Name]

Dear [Assembly Member/Senator] [Last Name],

My Name is [Your First & Last Name] and I am a community member and advocate who resides in your district. I support H.R. 2951 and S. 22. It is critical for oral health coverage to be included in Medicare because seniors need dental services to manage chronic conditions and support their overall health.

[Optional: Include a personal story and tell your representative why this issue is important to you and how it affects you, your friends, family members, and/or community.]

Please vote yes on H.R. 2951 and S. 22 and help seniors gain access to affordable dental coverage to receive the oral health care services they need!

Sincerely,
