

JOB DESCRIPTION

Position: Dental Assistant
Function: Dental Assisting
Reports To: Clinic Manager

Department: Clinical
FLSA: Non-Exempt
EEO Class: Service Workers

Position Summary

Perform basic supportive dental procedures under the supervision of a dentist; must be available to work Saturdays.

Essential Functions/Responsibilities

- General Supervision:
 - Extra-oral duties or procedures specified by the supervising licensed dentist, provided that these duties or procedures meet the definition of a basic supportive procedure.
 - Operate dental radiography equipment for oral radiography and have a radiographic safety certificate.
 - Perform intraoral and extraoral photography.
- Direct supervision
 - Apply non-aerosol and noncaustic topical agents.
 - Apply topical fluoride.
 - Take intraoral impressions for all non-prosthetic appliances.
 - Place and remove rubber dams or other isolation devices.
 - Place, wedge, and remove matrices for restorative procedures.
 - Remove post-extraction dressings after inspection of the surgical site by the supervising licensed dentist.
 - Cure restorative or orthodontic materials in operative site with a light-curing device.
- Patient Care
 - Manage patient flow to maximize patient access and service by ensuring dental exam rooms are adequately stocked and are ready for patients.
 - Prepare patients for dental examination by taking and recording vital signs and medical/dental histories.
 - Help patients feel comfortable before, during and after dental treatment
 - Effectively communicate request from patients to dentist or dental care team members.
 - Assist the dentist during a variety of treatment procedures such as taking dental x-rays.
 - Clean, sterilize, and maintain an adequate supply of functioning instruments and equipment.
 - Prepare instruments, materials and medication for use in dental procedures.
 - Instruct patients in oral hygiene and plaque control programs.
 - Provide patients with instructions for oral care following surgery or other dental treatment procedures.
 - Record treatment information in patient records using Electronic Dental Records system.

- Commitment to Quality
 - Demonstrate a commitment to excellent patient experience and quality outcomes in equal measure.
 - Communicate and work effectively with providers and other members of the dental care team to best serve patients. Contribute to a welcoming clinical space and healthy work environment through proactive relationship building, direct communication and sound judgment.
 - Engaged participation in huddles, staff meetings, team building activities and assigned development opportunities. Continue your professional development through participation in educational opportunities
 - Adherence to all Dientes' ethical and professional standards, including Dientes policies and procedures.

Education and/or Experience

Required:

- A high school diploma or its equivalent.
