

COVID-19 Rules:

Safety and infection control are our top priorities, especially during this COVID-19 outbreak. To ensure your safety and the safety of our staff, we follow all recommendations made by the U.S. Centers for Disease Control and Prevention (CDC), American Dental Association (ADA), and more. We ask that you follow these special COVID-19 rules:

- Cancel your appointment if you have been diagnosed with or in contact with anyone who has COVID-19 in the last 14.
- Cancel your appointment if you are sick.
- Wear a mask or face covering.
- Have your temperature taken and answer COVID-19 screening questions.
- Use hand sanitizer when entering and before exiting our clinics.
- Only the patient may come into the clinic. One companion is allowed if you are bringing a minor or need a caregiver.
- Waiting room has limited space.

Thank you!
